

# One-Day Emergency First Aid for Children and Babies

**COURSE TITLE**      **One day Emergency First Aid for Children and Babies**

## **DESCRIPTION**

This course has been developed for parents and anyone who may have to administer first aid to a child or baby. It will be of particular interest to Parents, child carers, Teachers, Crèche Assistants, Playgroup personnel and anyone responsible for youth organisations. This course does not fulfil the full requirements of OFSTED for Early Learning Staff.

It is ideal for individuals who are responsible for children and/or babies, who wish to gain knowledge of emergency procedures and attain a recognised qualification in First Aid.

## **DURATION**

A minimum of 6 hours consisting of theoretical and practical activities.

## **SYLLABUS**

A range of subjects is covered including:-

Assessment of the situation  
Resuscitation  
Control of bleeding and shock  
Head Injuries  
Poisons  
Choking

Dealing with an unconscious casualty  
Epilepsy  
Fractures  
Burns  
Bites and stings

## **CERTIFICATION**

Assessment is ongoing by the instructor, and a 3 year qualification will be issued to those who meet the criteria.

## **NUMBERS**

A maximum number of 16 students are allowed and must be aged a minimum of 16 years or above.

## **LOCATION**

We are able to deliver this course on your site, reducing your costs in respect of additional time out and travelling.
